Dear Mr. Lamoureux:

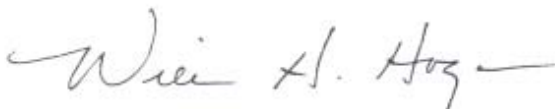

The review of the Providence Alaska Medical Center Certificate of Need (CON) application for construction to relocate and expand the Sleep Disorders Center is complete. I have determined that the application has met the applicable criteria for approval to the satisfaction of the State of Alaska Department of Health and Social Services.

In accordance with A.S. 18.07.031-111 and 7 AAC 07.010-130, Providence Alaska Medical Center is authorized to spend \$3,604,524 for construction to relocate Sleep Disorders Center to a medical office building on the Providence Alaska Medical Center campus in Anchorage and to expand the Center to operate 10 testing beds. The total approved area of 10,360 square feet allows for "shelled-in" space for two additional testing beds. The Department must be notified prior to use of these additional testing beds. The completion date is May 31, 2010.

A Certificate of Need for construction is enclosed along with a copy of the department's review of your application.

Under 7 AAC 07.08, if you are dissatisfied with this decision you are entitled to a hearing if the request for a hearing is received in writing by the department no later than 30 days from the date of this letter.

Sincerely,

William H. Hogan
Commissioner
