CERTIFICATE OF NEED

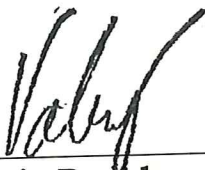

Providence Alaska Medical Center
Emergency Department Expansion Project

In accordance with A.S. 18.07.031-111 and 7 AAC 07.001-900, Providence Alaska Medical Center is authorized to complete its Emergency Department Expansion Project in Anchorage, Alaska.

Providence Alaska Medical Center proposes to repurpose existing clinical and non-clinical space within its Emergency Department to build 13 additional emergency treatment rooms, including a 10-room pediatric emergency treatment area.

In accordance with the final decision in OAH 15-1084-CTN, this authorization is for Providence Alaska Medical Center to build 13 additional emergency treatment rooms at its facility in Anchorage, Alaska.

- Total project cost is \$12,853,311.
- Total project square footage is 13,723 SF
- Project completion is December 31, 2018 with services beginning January 1, 2018
