CERTIFICATE OF NEED
FOR EXPANSION OF SOUTH PENINSULA
HOSPITAL

BY ORDER OF THE COMMISSIONER

In accordance with A.S. 18.07.031-111 and 7 AAC 07.010-130, the Certificate of Need dated 11/27/07 is modified. South Peninsula Hospital has been authorized to spend \$16,300,000 for a Phase II construction to include a new Emergency Department, increased dietary and materials management warehouse space, and an expanded Imaging Department. This construction began in June 2006 and was completed in September 2007. Phase III construction authorizes a new 18 bed single occupancy acute care wing, reconstruction of the surgical area to create an endoscopy room with no increase in the number of surgical suites, relocation of laboratory and pharmacy to the second floor, relocation and expansion of respiratory therapy, expansion of the laundry department on the first floor, addition of a fifth emergency room in the Emergency Department, and a helipad on the roof (third floor) of the new acute care wing. The total cost for Phase III is approved at \$15,092,930 with a completion date of December 2009.

The 9,683 square foot shelled in first floor area located below the new acute care wing must have Certificate of Need staff review prior to any use of the area.
