SCHEDULING NOTICE & ORDER

By consent of counsel for the parties, the telephonic prehearing conference originally scheduled for Wednesday, March 8, 2006, has been rescheduled to **Friday, March 17, 2006 at 10:00 a.m.** Subjects for discussion at the prehearing conference and other instructions remain as described in the February 24, 2006 scheduling notice.

Counsel for HealthSouth may attend the March 17th prehearing conference. What, if any, role HealthSouth will have in the hearing will be determined at or following the prehearing conference. The parties and prospective parties are reminded to serve counsel for all parties and prospective parties with copies of all documents filed with the Office of Administrative Hearings. Providence's letter objecting to HealthSouth's request to participate in the prehearing conference appears to have been served only on HealthSouth's counsel and not on the Assistant Attorney General who represents the department in this matter. Providence should correct that oversight immediately.

DATED this 1st day of March, 2006.
