Tisha Kingeekuk,

We went over the agenda for next week's training September 24-26.

Judith will get everyone a unique id so they can use the shortcut to 1-800-medicare which is 888-647-6701

Promoting Part D -

Jim goes to the senior centers in the area during lunch meetings and get the word out about open enrollment. He also contacts pharmacies and doctor's offices and he gets referrals from there, too.

Judy Brown went to senior center and also had a table out in the hospital lobby with signs.

Carol: this will be the first time at Chugach View and Chugach Manor. She's getting a media message translated into Korean.

Sarana Schell from the Public Information Team fielded a few questions about how our seniors get information outside of Anchorage.

Thank you all for your participation!!
