

Online House Rules for Kids

I will not give out any personal information online without my parents' permission. This includes my name, phone number, address, email, location of my school, my parents' work address and/or telephone numbers and credit card numbers.

I will always use a pretend name or nickname when using the Internet.

When creating a password **I will** make one up that is hard to guess but easy for me to remember. To avoid having it stolen, **I will never** reveal it to anyone.

I will not respond to any message that makes me uncomfortable. I will log off and tell an adult right away.

I will arrange to meet a friend I have made on the Internet ONLY if one of my parents has been informed and will be present.

I will not send an insulting or rude message to anyone online. This is called "flaming" and is not good Netiquette.

I will not disable any filtering software my parents have put on the computer.

I will not believe everything I read on the Internet. I will always check the source of the information and confirm it with my teacher, parent or librarian.
