

PARENT/CHILD SAFETY AGREEMENT

**This agreement should be discussed with each of your children.
To stress the importance of following safety guidelines, sign this document.
The rules can be modified as necessary.**

Before I go anywhere, I will always check with my parents or the person in charge. I will tell them where I am going, how I will get there, who will be going with me and when I'll be back.

I will get permission from my parents before getting into a car or leaving with anyone -- even someone I know. I will check with my parents first before changing approved plans or accepting money, gifts or favors.

It is safer for me to be with other people when going places or playing outside. I will always use the "buddy system, "

I can say no if someone tries to touch me in ways that make me feel frightened, uncomfortable or confused. Then I will tell someone I trust what has happened.

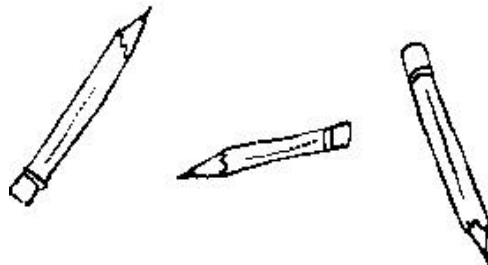

I know it's not my fault if someone touches me in a way that is not right. I don't have to keep secrets about these touches.

I trust my feelings and can talk to someone I trust about problems that are too big for me to handle on my own. A lot of people love and care about me. They will listen to me and believe me. I am not alone.

It is never too late to ask for help. I should keep asking until I get the help I need.

I am a special person and I deserve to feel safe.
